Handbook: Application Processing  
Subject: Application Fee Schedule  
Section: 071  
TB 48-10  
December 31, 1992

**Summary:** This bulletin is generally published in the last quarter of each year and sets forth all fees to be charged by the Office of Thrift Supervision ("OTS") for the following calendar year. This bulletin supersedes TB 48-8, dated May 30, 1992, and shall remain in effect until further notice.

**For Further Information Contact:** Your Regional Office, the Corporate Analysis Division, or the Corporate and Securities Division of the Office of Thrift Supervision, Washington, DC.

**Thrift Bulletin 48-10**

Attached is the revised Application Fee Schedule that will become effective 30 days after publication. This schedule supersedes the Application Fee Schedule set forth in TB 48-8, dated May 30, 1992.

The 1993 Filing Fees Bulletin includes several application types and fees that were either inadvertently deleted from TB 48-8, or recently created by regulation. Specifically, these additions include: applications for Agency Offices – $1,400; Waiver of Direct Sales of Securities at an Office – $800; Waiver of Dividends to Mutual Holding Companies – $1,500; Impermissible Subsidiary Capital Deduction Phase-in – $200; Operating Subsidiaries – $6,700 (Application), $1,000 (Notice), $300 (Redesignation Application); Qualified Stock Issuances – $12,400; and notices to Increase Investments in Service Corporations – $300. The aforementioned fees are based on either the existing fees imposed on applications estimated to have similar processing times, or, as in the case of applications for Agency Office, on historical data of average processing time.

As part of this bulletin, OTS also altered the fee structure for Branch applications and Mutual Holding Company Reorganization Form MHC-2 applications. Under the new fee structure for Branch applications, if an applicant submits an application requesting permission to establish more than one branch office, the fee for the first branch is $1,900 (or $700 if expedited) and $100 for each additional branch.

Under the new fee structure for Mutual Holding Company Form MHC-2 applications, the initial filing will be $8,700 and any secondary filing will be $6,400. Again, in changing these fees, OTS took into consideration the average processing time for each application and the fees for similar application types.

In addition, the fee for preliminary proxy materials for acquisitions filed with OTS is being increased to $1,000 from $800, and the fees for expedited Branch, Loans to One Borrower, and Finance Subsidiary applications, as well as the fees for Permissible Bank Holding Company Activities, are being altered in order to comply with the requirements of 12 C.F.R Section 502.3(b)(4), which requires that all fees be rounded to the nearest increment of $100.

Finally, this bulletin clarifies OTS' policy of charging each OTS-regulated institution a $5,200 fee for Merger and Transfer of Assets and Assumption of Liabilities applications and deletes the Modified Conversion application type and fee.
