OFFICE OF THRIFT SUPERVISION

Approval of Holding Company Application

Order No.: 2009-03
Date: January 15, 2009
Docket Nos.: 15909 and H-4572

The Phoenix Companies, Inc., Hartford, Connecticut (Phoenix), has applied to the Office of Thrift Supervision (OTS), pursuant to 12 U.S.C. § 1467a(e)(1)(B) and 12 C.F.R. § 574.3, for permission to acquire American Sterling Bank (Savings Bank), Sugar Creek, Missouri.

Background

Phoenix is an insurance and financial services company. The Savings Bank is a Deposit Insurance Fund (DIF)-insured, federally chartered stock savings bank with its home office in Sugar Creek, Missouri. The Savings Bank offers deposit products and mortgages through its five offices. The Savings Bank is the wholly owned savings association subsidiary of American Sterling Corporation (Holding Company).

In the proposed transaction, Phoenix proposes to acquire all of the outstanding common stock of the Savings Bank from the Holding Company, and thereby, acquire control of the Savings Bank. Phoenix proposes to inject a significant amount of capital into the Savings Bank to re-capitalise the Savings Bank.

Holding Company Application

Section 10(e)(1)(B) of the Home Owners’ Loan Act (HOLA) and the OTS Acquisition of Control Regulations (Control Regulations) provide that OTS must approve a holding company application seeking permission to acquire one savings association by a company other than a savings and loan holding company unless OTS finds the financial and managerial resources and future prospects of the company and association involved to be such that the acquisition would be detrimental to the savings association or to the insurance risk of the DIF. Also, OTS must consider the impact of any acquisition on competition. Further, 12 C.F.R. § 563e.29(a) requires that OTS take into account assessments under the Community Reinvestment Act (CRA) when approving savings and loan holding company acquisitions.

Phoenix has requested that OTS waive the public notice and comment requirements of 12 C.F.R. § 574.6(d) and (e). OTS grants the requested waiver of these requirements due to the supervisory nature of the proposed transaction.
With respect to managerial resources, OTS has reviewed the backgrounds of certain of Phoenix’s officers and directors, and has reviewed the relevant information submitted in the application. The application materials indicate that the members of Phoenix’s board of directors and its officers possess experience in various business endeavors and have extensive financial and insurance industry experience. OTS also has consulted with Phoenix’s insurance regulators. Background information has not been submitted for all of Phoenix’s senior officers and directors, and therefore, background reviews have not been conducted for these persons. OTS is imposing condition 7 to help ensure that the managerial resources of Phoenix’s senior officers and directors are consistent with approval of the application.

Phoenix proposes to replace all of the Savings Bank’s board of directors with five new members and will replace certain members of the Savings Bank’s senior management. OTS has considered background information regarding the persons who have been identified, and has concluded that their managerial resources are consistent with approval. In order to ensure that Phoenix will promptly replace the chief executive officer and chief financial officer, OTS is imposing condition 8. In order to ensure that the Savings Bank’s managerial resources are acceptable, OTS is imposing condition 9.

Based on the foregoing, OTS concludes that the managerial resources of Phoenix and the Savings Bank are consistent with approval of the application, subject to imposition of the conditions.

With respect to financial resources, OTS has considered Phoenix’s financial resources and the Savings Bank’s proposed capitalization. Phoenix has demonstrated adequate resources and appears financially successful and stable. Upon consummation of the transaction, the Savings Bank will be well capitalized under the OTS Prompt Corrective Action regulation, as a result of the proposed capital infusion into the Savings Bank. OTS concludes that Phoenix’s and the Savings Bank’s financial resources are consistent with approval of the application.

With respect to future prospects and the insurance risk to the DIF, OTS has considered the financial and managerial resources of Phoenix and the Savings Bank. OTS is imposing condition 4 to help ensure that the Savings Bank operates pursuant to an acceptable business plan and changes to and from such a business plan are not detrimental to the Savings Bank. To help ensure that the Savings Bank’s future prospects are consistent with approval, OTS is also imposing conditions 5 and 6 to enable OTS to confirm that the Savings Bank is being operated properly. In addition, OTS is imposing condition 10 to help ensure that any new employment or retention contracts are consistent with OTS’s policies and are not detrimental to the Savings Bank.

Because the Savings Bank will be controlled by Phoenix and because the Savings Bank may have a number of ongoing interrelationships with Phoenix’s affiliates, OTS is imposing conditions 11 and 12, which reflect OTS’s concerns about captive boards in the context of holding company structures where the Savings Bank is likely to have transactions with its affiliates and market products through affiliates. The conditions are designed to ensure that the Savings Bank’s future prospects are consistent with approval.
OTS concludes that the future prospects of Phoenix and the Savings Bank, and the risks to the DIF, are consistent with approval provided that Phoenix and the Savings Bank comply with the conditions set forth herein.

The transaction will not result in any currently operating, unaffiliated insured depository institutions becoming affiliated. Accordingly, OTS finds no basis for objection to the transaction on anti-competitive grounds.

As for the CRA, Phoenix has not previously controlled an insured depository institution, and therefore, has never been subject to the CRA. The Savings Bank has a “Needs to Improve” CRA rating. OTS is imposing condition 13 to help ensure that the Savings Bank will meet its community reinvestment obligations. Accordingly, OTS concludes that there is no basis for objection to Phoenix’s acquisition of the Savings Bank on CRA grounds provided that the Savings Bank complies with the condition set forth herein.
