OTS Announces CRA Examination Schedule For 3rd Quarter 1999

WASHINGTON, D.C., June 2, 1999 -- The Office of Thrift Supervision (OTS) today announced the availability of a list of savings associations scheduled for Community Reinvestment Act (CRA) examinations during the third quarter of 1999.

CRA regulations adopted in April 1995 require all federal financial regulatory agencies to publish quarterly CRA examination schedules.

The lists are divided by OTS region and by state within each of the five regions. Included is the month that each institution's examination is expected to begin. While the institutions listed are scheduled for examination, unforeseen circumstances can sometimes cause examination dates to change, OTS said.

For example, issues might arise that require OTS to spend more time and resources on a specific examination than originally allotted, thus delaying its completion and forcing a rescheduling of other examinations.

If an institution is rescheduled for a subsequent quarter, that information will be included in a later list.

In some cases, an institution may be examined by an OTS region other than the one that includes the state in which the institution is located because of the institution's corporate structure.
